Online (Virtual) Proctoring
Advanced Qualification in Headache Medicine

Ideal: Private location, Closed door, Personal computer, Hard-wire connectivity

Caution: Due to security firewalls and software download restrictions at institutions, a work location may not PASS a system check.

All Online Testing Candidates must run a "system check" before October 10.
- If your system doesn't meet the requirements you will need to transfer to a test center. **There is no fee for the transfer if requested before October 10**.
- Transfers requested between **October 10–20 will incur a $125 transfer fee.** (See the "Location Selection Guide" for details on how to run the "system check"). **No changes allowed after October 20, or during the testing period November 3 - November 24, 2025.**

Day of Examination - Rules

1. The physical location must be clear of paperwork and able to close the door.
2. All books, binders, and notes must be removed from the candidate's location.
3. Candidate must be alone in the room.
4. No leaving the seat (except for pre-approved break) or talking during the examination.
5. Examinee's browser will be locked down for the duration of the examination except for connection to the online examination.
6. In the event of suspicious activity, proctors can online chat with a candidate or request a camera re-scan of the room to investigate.
7. Technical issues encountered during the exam may require rescheduling of the examination.

Step-by-step guide to your new candidate experience

1. Equipment requirements

- **Mobile device:** You will need a mobile phone on which you will download the ProctorExam app. Instructions for downloading the app will be provided during the system check process or you can do this prior to your system check by accessing the Google Play Store for Android devices and the App Store for iOS (Apple) devices and searching for ProctorExam. Specifications are:
    i. Android 4.1 or higher
    ii. iOS (Apple) 8.0 or higher
        - You can see your operating system version in the settings of your phone.
    iii. Video resolution must be minimum 800 x 600 px
    iv. Ensure you can connect to Wi-Fi so you don't use up your data
    v. Ensure your mobile device can be plugged in for the duration of your exam
- **System requirements:**
    i. Bandwidth – **Minimum 1Mbit/s upload speed**. Tethering is not supported
    ii. Operating Systems
        - Windows 10 or higher
        - MAC OS X
        - Linux 64-bit Ubuntu 14.04+, Debian 8+, openSUSE 13.3+, or Fedora Linux 24+
    iii. Wi-Fi connection – candidate to be positioned where signal is strongest
    iv. Web Brower – Latest version of Google Chrome
    v. Webcam required – maximum resolution of 1280 x 720
    vi. Microphone required
    vii. Audio required

Note: Attempting to use a laptop or device that is intended for work purposes may have restricted access and admin rights installed. This may cause issues when trying to access the ProctorExam platform and therefore it is recommended to use a personal laptop.

Below are some links that we would recommend using to test the following work correctly before proceeding with your system check:

- To check your microphone works

3. Registration

Once registered, you will receive an email from onlineproctoring@strasz.com with instructions to help you perform the system check. A second email with the link for your exam will be sent close to your scheduled date. Please **double-check your junk email folder** or perform a search for the onlineproctoring@strasz.com email address if nothing appears in your main inbox.

4. System check

Your system check email will contain instructions on how to perform a system check to ensure your PC is set up and ready to go. However, before you perform your system check, we strongly advise you do the following:

- Ensure you are using the latest version of Google Chrome. To check if you have the latest version of Google Chrome:

    i. On your computer, open Chrome

    ii. Click on the icon in the upper corner that looks like three dots

    iii. Click on help

    iv. Click on about google chrome which will then show your latest version and if up to date or not

    v. Click on the icon in the upper corner that looks like three dots

    vi. Click Update Google Chrome. If you don't see this button, you're on the latest version

    vii. Click Relaunch

- Allow pop-ups for ProctorExam:

    i. Type chrome://settings/content in to the address bar and press Enter

    ii. Select Pop-ups from the Content Settings screen

    iii. In 'Allow', click 'Add' and enter https://surpass.proctorexam.com

    iv. Close the Content Settings screen and refresh your browser

- Install ProctorExam extension/plugin within Chrome to allow screen sharing:

    i. Click on the link here or type in
    https://chrome.google.com/webstore/category/extensions

    ii. Search for ProctorExam

    iii. Click on 'add to chrome'

    iv. Click on 'add extension'

Please ensure you run your system check as soon as possible to avoid any unwanted problems just before your exam. Once you click on the system check link, you'll be given simple instructions on how to complete the check.

5. Taking your exam

- Once your system check is completed, another email from onlineproctoring@strasz.com will be sent prior to your exam date – again, **please check your junk email folder if the message does not appear in your inbox**. This email contains the link to your exam.

- For the exam, you will need to use your mobile phone because this provides additional coverage of the test taking environment. As described above, you will need an Apple or Android mobile device with the ProctorExam app installed.

- At the time you are due to take your exam, simply click on the exam link in your email, follow the ID, environment instructions and read in full the 'Instructions for Candidates' then launch your exam.

- Once you've completed the exam, please ensure you click on 'Finish' on the last page of the exam, and then click on 'Finish Exam' in ProctorExam.

6. Support during your exam

During your system check and on exam day, if you encounter any technical difficulties, you will be able to access online chat support. You will find this in the bottom right-hand corner of your screen.
